

2021

FORM TIME
WORKBOOK

Summer Term 2021

Name:

Literacy:

Numeracy:

Your vs you're

SPAG

If you can replace it with 'you are', then you are allowed to use an e. Otherwise, it's 'your'.

Your homework is due in.
(~~**You are** homework is due in?~~)

X >> **your**

You're going to be late.
(~~**You are** going to be late?~~)

✓ >> **you're**

This is all **your** fault.
(~~This is all **you are** fault?~~)

X >> **your**

Integrity

What are your principles?

Do you always tell the truth? Do you always keep your promises? Put others' needs before your own? Always try your best? Always admit when you're wrong?

Do you try to push yourself out of your comfort zone? Always stick up for your friends?

Make a list of your core values and beliefs - integrity means sticking to these, always.

If you find this too difficult, you could try completing this for a friend instead - what qualities and values do they always hold?

Literacy:

Numeracy:

Separate

SPAG

“We sat at separate tables”

“I had to separate the pieces of lego.”

Spelling tip: Stay sep**arate** from **a rat!**

Mistakes

Penicillin was discovered entirely by mistake - Alexander Fleming left a pile of used petri dishes in his lab while he was away on holiday.

When he returned, he found that the bacteria in the dishes had grown and multiplied everywhere, except for one spot. That spot had a patch of mould that had stopped the bacteria from growing.

That mould was penicillium, and led to the development of penicillin to combat infectious diseases.

oops!

In 1968, Dr. Spencer Silver, a scientist at 3M in the United States, was attempting to develop a super-strong adhesive. Instead, he accidentally created a super-weak adhesive. He couldn't see any use for it, but a colleague had an idea that became... Post-its!

The Wright brothers built seven flying machines, and crashed all of them more than once. They learned from every mistake, and improved their design each time, until it finally flew!

Literacy:

Numeracy:

Surprise

SPAG

Surprise can be a verb or a noun. You can surprise someone, or something can be a surprise.

Spelling tip: You'll be surprised that there are **two r's** and **two s's** in surprised!

Beauty

Describe / draw a beautiful person. Label key features.

How much of your description could be applied to a model you might see in a magazine? How much could be applied to people actually in your classroom right now?

How much of an influence do you think models / actors and the way they look have on your idea of beauty?

Literacy:

Numeracy:

Brackets and full stops **SPAG**

The full stop goes **inside** the bracket if it is a complete sentence in the brackets.

The full stop goes **outside** the bracket if it is not a complete sentence inside the brackets.

She wore the red dress that evening.
(Her sister wore the gold one.) << **inside**

John needed the answer for question 7 (but Jeff was struggling with question 1). << **outside**

Freedom

What freedoms do you think you have?

For example: Having your own taste in music? Being able to choose your own religion? Saying what you think? Choosing your own friends?

Brainstorm some examples of places where people don't have the same freedoms we do. They could be real or fictional (for example, The Hunger Games is set in a place where they lack some basic human rights...) You could include examples of how they are oppressed (eg - what aren't they allowed to do?).

Literacy:

Numeracy:

it's vs its.

Apostrophe or no apostrophe?

SPAG

It's is a shortened version of it is or it has.

If you can't replace it's with 'it is' or 'it has', then it's (it is) wrong!

It's (it is) getting late.

It's (it has) been 4 hours since I last ate a cookie.

Its means 'belongs to it'.

The dog wagged its tail.

The minion ate its bananas.

Teamwork

Challenge 1:

Work with a partner. Close your eyes, and have your partner give you directions (verbal only!) to draw a house in the space below. Now swap!

Challenge 2:

Work in a team of 3 or 4. Imagine your team is trapped inside this room, and you need to escape. The windows and doors are locked. Choose which 5 items from the room (in order of importance) you would use to escape (with the least damage possible...).

Challenge 3:

In groups of 4-6, your challenge is to find 5 things you all have in common.

Challenge 4:

As a class or group of 4+, your challenge is to count as high as you can. You can only say one number at a time. If two people say a number at once, you have to start again. No cheating!

Literacy:

Numeracy:

Minute

SPAG

Remember: I can see **U** in a minute

Aspiration

Aspiration: Something that you strongly hope to achieve.

By the end of this (school) year, I hope to achieve...

By the time I'm 25, I hope to achieve...

Literacy:

Numeracy:

Loose or lose?

SPAG

Loose is an adjective - it means 'not tight'.

Lose is a verb - it means 'to be unable to find'.

Is it loose or lose?

Is it related to 'lost?' If it's to do with having lost something, you spell it with one 'o', just like lost.

If you are describing something as loose, like a loose tooth, or loose trousers, or having a loose screw, you use two.

Imagination

Work alone or with a partner to think of as many possible uses for a paperclip as you can. Be creative!

Literacy:

Numeracy:

Disappear

SPAG

Spelling tip: Imagine an **app** that could make your ear **dis**appear!

Celebrating Talents

Make a list of your talents - they can be as big or small as you like! A talent is something you're naturally good at. (If you were going to go on 'Britain's Got Talent' - what would you do?)

What other possible talents could you add to this list? Are there any you haven't even tried yet?

Acting / Drama

Art – Drawing, Painting, Making

Board Games, strategy games

Building / Construction, carpentry

Card making

Cooking

Craft

Dressmaking – designing, making, mending

Electronics – soldering,

Fashion – design, colour, modelling,
photography

Gardening – Veggie gardening, herbs, flowers

Gift wrapping

Graphics Arts – Typography, Illustrator,
Photoshop

House renovations and maintenance

Interior decorating

Mechanics – small motors, fixing, fiddling,
improving

Metal work, welding

Model making – model trains, armies, planes,

Movie buff – write reviews, learn about acting

Music – appreciating music, playing music,
teaching music

Organising spaces and organising stuff

People skills - leading, counselling, mediating

Photography

Pottery, Fimo, airdried, kiln dried

Public speaking

Publishing a paper magazine, publishing digital
media

Scrapbooking – paper or digital

Sewing – dressmaking, fabric craft, quilting,
home furnishings

Sport – team sport, individual sport, extreme
sport, sport fandom

Technology – setting up blogs, fixing computers

Thinking – arguing, debating, worldview,
philosophy

Writing stories or blog posts

Literacy:

Numeracy:

Necessary

SPAG

adjective: necessary means absolutely needed.

Spelling tip:

It is ne**cess**ary to wear one **c**ollar and two **s**ocks.

Courage

What's the bravest thing you've seen someone do?

What's the bravest thing you've ever done?

Demonstrating courage:

Having the courage to take responsibility. Whilst you can't always control your circumstances you can always choose how you will respond to them.

Having the courage to do the right thing.

Having the courage to dream big, and not settle for less.

Having the courage to be yourself.

Having the courage to say no.

Having the courage to try new things.

Having the courage to try your best, even if you're afraid you might fail, or afraid of what other people might think.

Literacy:

Numeracy:

Bare vs Bear

SPAG

Bare means something that is naked or unclothed.

Bear means to carry or to endure, or put up with. Or an actual bear.

Bear with me while I give you some examples:

Don't walk on glass in bare (uncovered) feet.

Please bear (carry) in mind the correct spelling!

Picture a **bear carrying** a heavy load to remember which is which!

Literacy:

Numeracy:

Conjunctions

SPAG

Common **conjunctions** are for, and, nor, but, or, yet, so.

Subordinating conjunctions show a relationship between the two things they link, like: because, since, as, although, though, while, whereas.

Fair Trade

WHAT IS 'FAIRTRADE'?

Fairtrade is an independent, third party certification organization, which works in partnership with more than 1.5 million producers in developing countries.

The mission of Fairtrade is to secure decent working conditions, fair prices, and better terms of trade. In this way, producers are empowered to improve their social, environmental and economic sustainability.

Through Fairtrade, farmers and workers take control and build sustainable futures for themselves, their families, and their communities.

The Fair Trade symbol on a product tells you that it is a fairly traded product.

Why choose fair trade goods?

1. Fair Trade means fair pay and working conditions for farmers and producers.
2. Fair Trade is better for the environment.
3. Fair Trade means what you buy matters.
4. Fair Trade supports communities.

How do you think **you** can support fair trade?

Literacy:

Numeracy:

Special

SPAG

Spelling tip:

You have to have **special** skills to work for the **CIA**.

Role Models

Describe your role model(s) - what qualities do they have that make you look up to them?

List some famous people that you think are good or bad role models.

Good	Bad

Goals

These can be as big or as small as you like.

Try and include one school goal, one thing you'd like to learn, one family/home goal, and one thing you'd like to achieve personally.

Use this page to record your best score.

Write down your finishing time too - that way, you can see if you're getting faster!

Date	Score	Time taken

Key dates and things to remember:
